

BUILDING A FRAME FOR BEHAVIOR AT HOME

This workshop will be presented by State Support Team Region 8 and Summit ESC in collaboration with the Autism Society of Greater Akron. This session is for parents, caregivers, providers, and educators of students with behavioral challenges with/without disabilities.

This session will include a free lunch and networking time with other parents.

Attend this workshop to:

- Get tips and techniques for avoiding and de-escalating behaviors at home.
- Learn how to take care of you to be the best for your loved one and develop your own self-care plan.
- Understand how to implement positive behavior supports that can lead to long-term behavioral challenges.
- Learn strategies to manage challenging behaviors during unstructured times at home like school breaks and holidays.
