

# SUPPORTING DIVERSE LEARNERS THROUGH THE CONTENT STANDARDS

*For General Ed Teacher, Intervention Specialists, Instructional Coaches, and Curriculum Directors.*

**Participants will develop an understanding of the Ohio Learning Standards and indicators' prerequisite skills that can be used as entry points into the curriculum to provide greater access to the content. Aligning sub skills from the Ohio Learning Standards will increase teacher clarity and assist teachers in providing effective intervention for students who may be performing below grade level. Learn how to identify bridges of access from where students are currently to where they should be.**
