The 5th Annual Northeast Ohio Transition Symposium

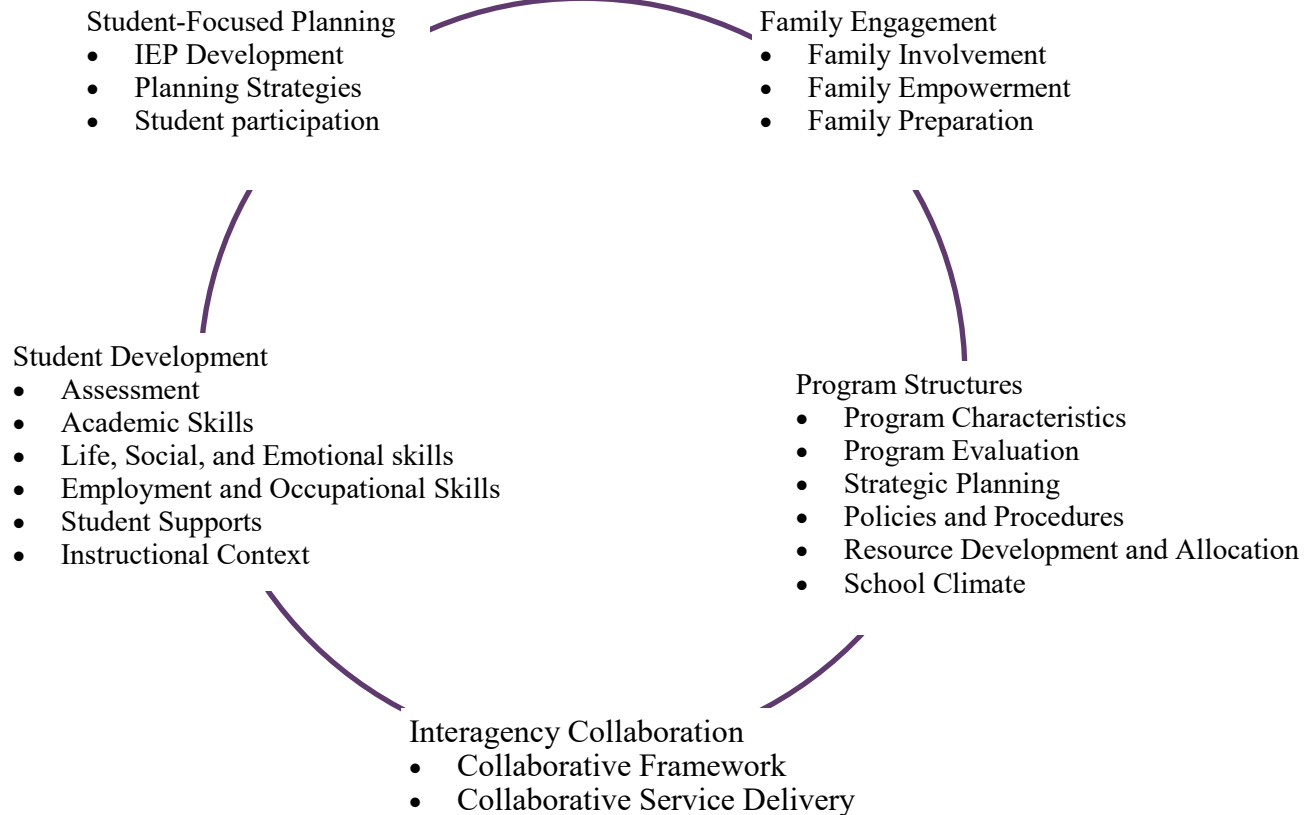

KEYNOTE SPEAKER: Melissa McClain

Melissa McClain is a graduate of Kent State University and is the Community Education Program Coordinator at Akron Children's Hospital. She is responsible for a social and emotional learning curriculum that includes K-12 classroom education as well as psychological trauma education for educators and other professionals who work in a school environment. Since 2006, Melissa has educated over 70,000 students, school staff and community members. She has worked with over 150 Ohio school buildings and community organizations that work with youth and has also been lucky to travel and speak to state and national audiences on teen dating, emotional literacy, bullying, and psychological trauma.

Educators will be sharing innovative practices and programs to support positive secondary outcomes for students. For additional information please contact your SST Transition Consultant.

Break-Out Sessions based on the Taxonomy for Transition Programming 2.0 are offered in the following areas:
